Property Description

Bahia Langosta condominiums are located in the private upscale community of Langosta which is about 2- 3 mins drive from downtown tamarindo or only about a 15 minute walk down the beach or via the road that

accesses the two locations. The Bahia Langosta condominium complex was one of the first that was built on this lovely white sand beach and estuary. The complex consists of beachfront townhomes and behind the pool, 1-2 and 3 bedroom condos. This is one of the beachfront townhomes and it is conveniently located right next to the beach access. Lovely ocean views from the patio downstairs and balcony in the master bedroom so you can enjoy amazing sunsets every day. The townhome has 2 large bedrooms with bathrooms and balconies. The master bedroom has a mezzanine with a double bed sofa which makes it perfect for larger families or groups. Downstairs you will find beautiful open spaces, large owners closet and a half bathroom with laundry area.
