A brand new central Ojochal villa priced for a QUICK sale! 3-beds, pool, amazing views, and a PERFECT

location for a tropical home or attractive rental property.Not too long ago Ojochal was a sleepy jungle village just a stone's throw from the South Pacific coastline. Since then, it has been slowly transforming into an expat Mecca offering not only peace, tranquility, jungle immersion, and a real sense of community but also amenities, services, sport and recreation facilities and world-class restaurants. Experience shows that small community villas built in the center of Ojochal make the perfect low-maintenance homes or investments as rental or vacation properties.This beautiful brand-new villa, completed just a few months ago, is located on a very accessible road within Ojochal. This home is close to all amenities including restaurants, grocery stores and local markets. A 5-10 minute car drive will take you to a number of local beaches including the famous Playa Ventanas, and even closer are dozens of businesses offering everything you may need.
