Property Description

Welcome to this impressive house located in the neighborhood of Mercedes de Atenas. This two-story property has 2 bedrooms with AC, 3 bathrooms, private terrace, solar panels, balcony with mountain views, a large kitchen and living room with 160 square meters (1,722 square feet) of construction, on a beautiful lot of 416 square meters (0,102 acre). The sale price was established with reference to the exchange rate of the US dollar at 540 colones. We especially highlight that the house has a private pool, which makes this property stand out among the others on the market. The modern and spacious design of the house provides a cozy and comfortable environment for the whole family. The spacious open concept living room and kitchen

are ideal for entertaining and family living. In addition, this property is conveniently located near schools, parks, health centers, gyms and multiple tourist wonders, making it an ideal option for those seeking comfort and quality of life.
