Property Description

Discover a pristine eco-community nestled between the picturesque Central Valley and the stunning Central Pacific beaches, just a 15-minute drive from Atenas. Embrace the opportunity to secure your slice of paradise among 88 available lots. Choose from a range of sizes, starting from 1149m² for cozy retreats to expansive 10036m² estates, priced between \$34,470 and \$220,800. Act quickly, as 3 lots have already found their owners. Experience the essence of sustainable living as this community operates independently from public utilities. Water flows from natural springs within the 34-hectare private reserve, while electricity will have to be generated by the installation of a solar system. Every lot promises breathtaking views, with some boasting sweeping vistas of the ocean beyond. Reach out to me to turn your vision of the perfect lot into

reality!
